No service

For next departures from a particular stop you can use **traveline-txt** - by sending the SMS code (followed by a space and the service number if you want a specific service - eg: **buctdgttd 60**) to **84268**. Or you can use the mobile internet by using the code to locate the stop on **NextBuses**. For details of both these services see www.traveline.info/onmove.htm. The return message from **traveline-txt** is free for codes prefixed **cmb**, **lin**, **nfo** and **suf** (East Anglia and Lincolnshire); for all other codes it is 25p. **NextBuses** incurs standard internet usage charges.

Information about next departures is available on mobile internet on phones and PDAs using the SMS code - go to www.mytraveline.mobi. Only normal browsing charges apply.

NOTE: SMS codes are different in each direction. Make sure you choose the right direction from these lists.
